CINNAMON APPLE

CINNAMON APPLE is at the forefront of air reodorizing compounds. This High-Tech formulation provides the ultimate in freshening, persistence and cleanliness. **SUNRISE'S** unique formulation leaves no annoying residue on carpets, draperies or furniture. The high diffusion characteristics of **CINNAMON APPLE** allow it to disperse uniformly throughout the target area, leaving a fresh aroma with long-lasting capabilities. **CINNAMONAPPLE** is ideal for use in school busses, police cars, taxi cabs, airplanes and other enclosed conveyances.

DIRECTIONS:

*Shake can vigorously
 before and during spraying.*

Spray **CINNAMON APPLE** using sweeping motion throughout target area. For more severe problem environments, mist **CINNAMON APPLE** directly over furniture, draperies, bedspreads etc. Pre-test any fabrics for color fastness, in an inconspicuous area.

CAUTION: The contents of this container are under pressure. Do not puncture or incinerate. Do not store in direct sunlight or where temperature exceeds 120°F. Use ventilation adequate to maintain TLV. Point tip away from body and eyes before spraying. Avoid contamination of food or potable water. Do not ingest. If eyes are contacted flush with water for 15 minutes. Consult Safety Data Sheet for further information.
