WITE 'N BRITE

INSTITUTIONAL USE ONLY LIQUID BLEACH

Uso institucional solo lejía líquida

WHITE 'N' BRITE is a concentrated, liquid chlorine bleach used in general laundry applications where extra destaining power of active chlorine is desired. WHITE 'N' BRITE is formulated for fast and effective chlorine release. WHITE 'N' BRITE may be used either as a bleach in normal laundry operations or as a destaining pre-soak for blood and other protein stains. To disperse manually use 2-4 oz. of concentrate for 50 lb. laundry. Add to bleach cycle. Avoid direct application to clothing as damage may result.

DIRECTIONS

Feed directly from shipping container, do not put in unlabeled container. Be certain correct probe and tube are secure in container. When container is empty, rinse out and discard. Keep product from freezing.
