

# SPILL SORB

## OIL ABSORBENT CLEANER

OUTDOOR  
& INDUSTRIAL  
MAINTENANCE

**SPIL-SORB** is a highly absorbent material designated to accelerate the cleaning process. This product is ideal for use in commercial shops, bus garages, airplane hangars, or wherever oil spills occur. **SPIL-SORB** absorbs oil, fuels, greases and solvents to make short work of your cleaning process.

---

### FEATURES & BENEFITS:

**High absorbency-** Offsets more liquid.

**Dry compound-** Ease of application and cleanup.

**Non-flammable-** Safe to use.

### APPLICATIONS:

This product is designed for efficient clean-up of grease, oil, fuel, and solvent spills.

### DIRECTIONS:

Spread **SPIL-SORB** over entire spill area. Give material sufficient time to absorb. Then sweep up material or use shovel to pick up. Dispose of according to local ordinances and requirements.
