

# Alpha Strain

## HAND SANITIZING WIPES WITH 61% ALCOHOL

**PRETREATED  
RAG PRODUCTS**

**ALPHA STRAIN** is the essential ingredient in today's social, industrial and general working environment. This amazing compound instantly sanitizes hands, and arms or wherever applied. Teachers, medical personnel, emt's, police officers and firemen will find **ALPHA STRAIN** an essential tool in their work-place. Use this product to help meet OSHA protocol for medical personnel hand washing. The portable characteristic of **ALPHA STRAIN** makes it both convenient and reliable. **ALPHA STRAIN** is ideal for restroom use after regular hand washing as well.

### FEATURES & BENEFITS:

**Ease of use-** Convenient easy to carry canister.

**Safety-** Dries quickly and sanitizes all applied parts.

### APPLICATIONS:

This product instantly sanitizes hands and arms.

### DIRECTIONS:

1. Access **ALPHA STRAIN** wipes through the opening located on top of the container.
2. Flip-open the lid to allow easy removal of wipes.
3. Pull up on wipe and gently pull at a slight angle. This will tear the wipe at its perforation, allowing access to the next wipe.

**Close the lid after each use and your wipes will remain moist.**

### FORMULATION:

A scientifically blended mixture of disinfectant materials and wetting agents.

### TARGET ACCOUNTS:

Schools, hospitals, police departments, fire departments, paramedics, nursing homes, service personnel who are in constant physical contact with others.

### SPECIAL CAUTIONS:

None
