GALAXY ZX-100 LOW PH PRESOAK

ZX-100 is the first of a three-part cleaning process for automatic car washes. ZX-100 is designed as a pre-soak to dissolve away road grime, bugs, dirt and oils from the surface. ZX-100 is highly concentrated, which provides for superior cleaning and reduced cost. The high volume of foam and the pleasing lemon scent make ZX-100 the ultimate wash for automated car and truck wash systems.

DIRECTIONS

Consult your SUNRISE Representative for correct titration. Warning, More concentrated dilution will have little effect on cleaning ability and may result in blackening of stainless steel. Use caution on glass and plexiglass.
