QR CODE:

W.O.W. is the latest new concept in hand cleaning. **W.O.W.** literally stands for “without water”. This unique new hand cleaner is designed to be used where the convenience and portability is most desired. **W.O.W.** makes short work of the most stubborn soils. Combined with the rich emmollients, lanolin and grape scent, **W.O.W.** will leave your hands feeling soft and smooth without any annoying residue left behind. Since **W.O.W.** is a true waterless hand cleaner, all you need is a rag present to wipe off your hands.

FEATURES & BENEFITS:

Waterless - Requires only the use of rag to wipe clean without water.

Emmollients & lanolin- Leaves skin feeling soft and smooth.

Grape scent - Pleasant, fresh scent.

APPLICATIONS:

This compound is designed for the use of a hand cleaner where water is not present.

DIRECTIONS:

Apply a liberal amount of **W.O.W.** into the palm of your hand and work vigorously until grease and grime is loosened from the surface of skin. Simply wipe hands with a dry towel or rag. Notice how hands are cleaned and moisturized. (Note: This product is designed to be used with or without water.)
