- **Scuff Marks**
- **And much more!**

CAUTION: CONTENTS UNDER PRESSURE. VAPOR MAY BE HARMFUL. READ CAUTIONS ON BACK PANEL BEFORE USING.

KEEP OUT OF REACH OF CHILDREN

PRODUCT #1009 NET WEIGHT: 16.5 OZ

SUNRISE' WIPE OFF is specifically formulated to remove paints, inks, crayons, lipstick and other marks from road signs, bridge abutments, sidewalks, reflective signs, Formica™ tops, wash-room walls, under passes, trucks, buses, public buildings, mirrors, lockers and wherever graffiti is a problem. **WIPE OFF** may be used on most surfaces: Brick, glass, ceramic tile, porcelain, marble, ceramics, formica, terrazzo, enamels, brass, aluminum, steel chrome, vinyl, painted and many other surfaces.

DIRECTIONS:

Use caution when spraying on synthetic surfaces which may be damaged by solvents, such as rubber and asphalt tile, some paints and certain plastics. Test the durability of the surface by spraying an inconspicuous area. Spray on the surface to be cleaned, allow it to act a few seconds, then wipe off with a clean cloth. For difficult to remove marks, repeat the application, allowing **WIPE OFF** to act on the surface for a longer time. For porous surfaces scrub the area with a stiff bristle brush after spraying, then wipe or pressure wash.
