

DIAMOND *BRITE*

FLOOR FINISH

JANITORIAL
PRODUCTS

The finest polymer wax, made resilient and forgiving. May be buffed if desired, yet buffing is not necessary.

FEATURES & BENEFITS:

Percent solids- Greater durability without being brittle.

Self-leveling- More even shine.

Free-flowing- Applies with ease.

APPLICATIONS:

To impart a tough, long-lasting acrylic finish to asphalt, tile, rubber, cork, terrazzo, linoleum, and vinyl flooring. The finish is resistant to soaps and detergents.

DIRECTIONS:

DIAMOND BRITE is an all new blend of high solid, polymer floor finish. With proper preparation and application, it can withstand heavy traffic and still show a superior shine. Strip and clean floor thoroughly, apply using a clean rayon mop or lambs wool applicator. Apply 2 or 3 thin coats. Allow 30 minutes between coats.

CUSTOMERS WHO USED THIS PRODUCT ALSO USED:
