PRODUCT #1128

NET WEIGHT: 10 OZ

RENEWZ

RENEWZ has been designed to put the black shine back in your vehicles faded and oxidized plastic and rubber. **RENEWZ** is ideal for use on plastic bumpers, side rails on pick ups, plastic door handles, plastic between the car hood and windshield or anywhere you notice your plastic becoming oxidized. **RENEWZ** will dry in minutes and leave a brilliant new car shine to all of your vehicles plastic and rubber. Depending on conditions **RENEWZ** will leave your car shining for weeks after applied.

DIRECTIONS

Shake well prior to using. Hold can upright 8 - 10 inches away from surface to be treated. Spray product on surface to be treated. There is no need to wipe surface after spraying other than overspray that may occur. Always test in an inconspicuous area to ensure that this product will not have any adverse effects on surface.
