QR CODE:

LONG RANGE D.O.A. kills Wasps, Hornets, Bees, Spiders outdoors. Kills Roaches, Crickets, Ants, Spiders, Centipedes, Silverfish, Water Bugs indoors. **D.O.A.** shoots a lethal spray into nests, crevices, holes from 12 feet! Kills with residual action.

FEATURES & BENEFITS:

Blast nozzle- Long distance application. **Can size-** Convenient to carry.

APPLICATIONS:

This product is designed to kill hornets, wasps, bees, yellow jackets, spiders, roaches, crickets, silverfish, centipedes, water bugs, ants, june bugs, etc.

DIRECTIONS:

Hold upright, point opening in valve in desired direction for spray. To release spray, press valve downward or push valve forward. FOR OUTDOOR USE: Hornets, Yellow Jackets, Wasps, Bees:Aim valve at nest where insects are known to be inside. Press valve all the way down until the area is saturated with spray. Repeat as necessary. Apply after dark when all of the insects have returned to the nest. This treated surface will have a residual killing action and prevent reinfestation for weeks. In the event the insecticide film becomes ineffective due to rain and other causes, repeat treatment.

Ants:Spray hills and runaways. Repeat as necessary.

Spiders, Clover Mites, Crickets, Earwigs, Fleas, Millipédes, Sowbugs, Brown Dog Ticks: Spray infested areas thoroughly including outside surfaces of screen frames, doors, window frames, foundations, patios or other places where insects may enter or harbour. Repeat as necessary. FOR INDOOR USE: Roaches, Crickets, Ants, Spiders, Centipedes, Silverfish, Waterbugs: For use indoors spray thoroughly the infested cracks, baseboards, behind shelves, book cases and cabinets; around plumbing, cracks and crevices of sinks; and other dark and moist places where infestation of these insects occur.

When using outdoors, do not spray vegetation. When using indoors, avoid wetting asphalt tile, rubber and plastic materials. Do not use as a space spray.

KEEP OUT OF REACH OF CHILDREN. May be harmful if swallowed, inhaled, or absorbed through the skin. Avoid breathing of spray mist and provide adequate ventilation of area being treated. Contact with skin, eyes, or clothing should be avoided. Wash thoroughly with soap and warm water after handling. If poisoning occurs, get prompt medical aid. Avoid contamination of food, utensils, food preparation areas. Do not use in commercial food preparation areas or in edible products areas of food processing plants. Avoid contamination of fish ponds. Remove pets from area before spraying.

To Physician-Atopine sulfate in antidotal.

EPA REG. NO. 11694-103-44179 EPA EST. NO. 11694-KS-1
