TECH SAFETY DATA

DANGER...
- FATAL OR TOXIC IF SWALLOWED
- RESPIRATORY TRACT IRRITANT
- MAY CAUSE SKIN IRRITATION OR BURN

~ FEATURES ~

- Penetrates soils
- Cleans mechanically as well as chemically

~ USE ON ~

- Concrete • Glass • Brick
- Brass • Chrome • Steel
- Formica • Aluminum
- Terrazzo • Ceramic • Marble • Porcelain

PART #1059

ORM-D CONSUMER COMMODITY CLASS 55

PO Box 10207 ~ Reno, Nevada ~ 89510

NOT FOR RESALE

DELETE

GRAFFITI REMOVER

REMOVES MOST:

*Spray Paint *Crayons *Ball Point Inks *Fingerprints *Marker Inks *Pencil Marks *Stencil Inks *Scuff Marks *Mimeo Inks *Tape Residue *Printer Inks *Maw Build-up *Lipsticks *Road Tar *Vandal Marks and Smudges

**REMOVEDOR DE GRAFITI **

Net Weight 16.5 oz

SHAKE WELL BEFORE USING!

CAUTION: FLAMMABLE

Contents under pressure. Vapor may be harmful.
Read cautions on back panel before using.

KEEP OUT OF REACH OF CHILDREN

DELETE

Specifically formulated to remove paints, inks, crayons, lipstick and other marks from road signs, bridge abutments, sidewalks, reflective signs, formica tops, washroom walls, bridges and underpasses, trucks and buses, public buildings, mirrors and lockers. **DELETE** may be used on all surfaces: Brick, glass, ceramic tile, porcelain, marble, ceramics, formica, terrazzo, enamels, brass, aluminum, steel, chrome, vinyl and many other surfaces.

DIRECTIONS: Use caution when spraying on synthetic surfaces which may be damaged by solvents, such as rubber and asphalt tile, some paints and certain plastics. Test the durability of the surface by spraying an inconspicuous area. Spray on the surface to be cleaned, allow it to act a few seconds, then wipe off with a clean cloth. For marks difficult to remove, repeat the application, allowing **DELETE** to act on the surface for a longer time. For porous surfaces scrub the area with a stiff bristle brush after spraying, then wipe.

CAUTION: The contents of this container are under pressure. Do not puncture or incinerate. Do not store in direct sunlight or where temperature exceeds 120°F. Use ventilation adequate to maintain TLV. Avoid prolonged or repeated contact with skin. Intentional misuse by deliberately concentrating and inhaling the contents can be harmful or fatal. Point tip away from body and eyes before spraying. Do not spray near open flame or ignition source. Avoid contamination of food or potable water. Dispose of empty can in accordance with local regulations. Do not ingest. If skin is contacted, wash off with soap and water. If eyes are contacted, flush 15 minutes with water. See a physician. This product contains a material(s) known to the State of California to cause cancer or reproductive toxicity. Consult Safety Data Sheet for additional information.
