

VORTEX POWERWASH

CONCENTRATED HIGH pH CAR WASH FOR MANUAL BAYS

Lavado de coches concentrado de alto pH para bahías manuales

VORTEX POWER WASH is the first of a three part cleaning process for car washes. VORTEX POWER WASH is designed to dissolve away road grime, bugs, dirt and oils from the surface. VORTEX POWER WASH is highly concentrated which provides for superior cleaning and reduced cost. The high volume of foam and the pleasing lemon scent makes VORTEX POWER WASH the ultimate wash for automated car and truck wash systems. When used in conjunction with the VORTEX rinse agent and tri-color wax, sealant and u-v protector your vehicles will come out looking brand new.

DIRECTIONS

Dilute **VORTEX POWER WASH** at a rate of 1 part of **VORTEX POWER WASH** to 6parts water. Once you have diluted to this level simply hook the drum to the system and you are finished.
