

PIT STOP

A HEAVY-DUTY HAND CLEANING AGENT

HAND
CLEANERS
PREMIUM

PIT STOP is a tremendously effective hand cleaning system. This fantastic product has been designed for more difficult soil conditions, yet it has been buffered to leave hands feeling smooth without drying.

PIT STOP may be used effectively by mechanics, gardeners, housekeepers, kitchen workers, carpenters, millworkers or wherever soiled conditions exist.

FEATURES & BENEFITS:

Emollients- Inhibits hands from drying out.

Surfactant- Penetrates soil.

Detergents- Emulsifies greases and oils.

APPLICATIONS:

Easy removal of most soils from hands, with or without water.

DIRECTIONS:

Apply **PIT STOP** to hands in liberal quantities and scrub vigorously with or without water. If water is available, rinse and dry. If no water is available, wipe hands dry with a cloth or towel.
