Mousse Leather Cleaner And Conditioner No More Messy Water Problems

SIDEKICK is the optimum leather cleaner and conditioner available today. The outstanding blend of cleansing soaps, Australian Bees wax and refined mink oil create the ultimate cleaning/conditioning system for leathers and natural hide products. The deleterious effects of weather, wear, sunlight and abrasion are instantly overcome with this revolutionary new compound. **SIDEKICK** uses an age-old concept coupled with high-tech aerosol technology to provide phenomenal results on leather and hide products. **SIDEKICK** virtually eliminates the messy, cumbersome and impractical problems associated with traditional saddle soap compounds. Use **SIDEKICK** on upholstery, shoes, boots, drive belts, athletic shoes, saddles, tack, luggage, brief cases or wherever cleaning and conditioning of leather goods is required. Care should be exercised if using on rough-out or suede.

FEATURES & BENEFITS:

Australian bees wax- Conditions and restores.

Mink oil- Rejuvenates the natural oils from desiccated materials.

APPLICATIONS:

This product is ideal for use on leather and hyde products. May also be used on vinyl.

DIRECTIONS:

SHAKE CAN THOROUGHLY. Invert and apply a liberal amount of mousse evenly on surface to be conditioned. With bare hands, cloth or brush work lather into leather surface, taking care to penetrate cracks and crevices. Allow five to ten minutes for surface to cure. After curing, buff out briskly using a soft cloth. For maximum lustre, apply a polishing cream or oil. For optimal protection and conditioning, apply **SIDEKICK** weekly. Care should be exercised if using on rough-out or suede.
