## WARNING

- Skin and eye irritant
- Respiratory tract irritant
- Swallowing will cause gastrointestinal irritation

Gloves, apron and goggles recommended. Do not ingest. If ingested drink large quantities of potable water. Do not induce vomiting. Never give anything by mouth to an unconscious person. Use ventilation adequate to prevent cough, hoarseness, or irritation. OSHA approved respirator recommended. If eyes are contacted, flush with water for at least 15 minutes. See a physician immediately. If skin is contacted, wash off with soap and water. Do not apply ointments until a physician is consulted. Clothing that is contaminated should be removed immediately. Flush with large amounts of water. Wash in an automatic machine before wearing again. Dispose of empty container in accordance with local regulations. Consult Safety Data Sheet for additional information.

**KEEP OUT OF REACH OF CHILDREN**

## HEATERS

This amazing new concept in tool and surface cleaning is the result of extensive research into the demands of mechanics and technicians. *The entire contents of this bucket are biodegradable, including the wipe itself.*

**HEATERS** wipes can be used to not only cleanse tools and hard surfaces, but also for applications as diverse as laundry pre-spotting, carpet and upholstery spot-cleaning and hard-surface cleaning. The innovative formula which impregnates these powerful wipes allows for the toughest cleaning jobs yet is buffered to use on less demanding tasks. **HEATERS** wipes can be used at the bench, central wash stations and in utility vehicles as well. The portability of these scrubs makes them the item of choice for utility companies, phone and cable operations, police and fire departments and all types of service companies.

### DIRECTIONS:

Access your **HEATERS** wipes through the two-inch white cup located on top of the pail. Flip-open the lid to allow easy removal of wipes. Pull up on wipe and gently pull at a slight angle. This will tear the wipe at its perforation, allowing access to the next wipe.
