

NUTRA CLEAN

A SUPERIOR ALL - SURFACE CLEANING SYSTEM

WATER-BASED
CLEANERS

NUTRACLEAN is a neutral pH, odorless liquid specially formulated for cleaning all types of surfaces without adversely affecting their finish. **NUTRACLEAN** is recommended for use on wood floors, linoleum, rubber, asphalt, vinyl, plastic, tile, marble, terrazzo, painted walls, floors, plastic upholstery, desks, venetian blinds, porcelain surfaces, glass, glassware, and other surfaces. It is highly recommended for heavy tasks such as washing busses, trucks and cleaning trash dumpsters.

FEATURES & BENEFITS

- **Neutral pH** - Safe on all surfaces. No run-off or waste water concerns
- **Highly concentrated** - Economical
- **Viscous Formulation** - Thick foam for enhanced vertical clinging. Synthetic detergents with high dispersant and cleansing properties.

APPLICATIONS

This product is designed for cleaning wood floors, linoleum, rubber, asphalt, vinyl, plastic upholstery, venetian blinds, porcelain surfaces, glass, glassware, washing buses, trucks and cleaning trash dumpsters.

DIRECTIONS

For cleaning wood floors, linoleum, rubber, asphalt, vinyl, plastic and tile, use 1 part concentrate in 50 parts of water. For cleaning marble and terrazzo, use 1 part of concentrate in 20 to 30 parts of water. For cleaning painted walls and floors, use 1 part of concentrate in 30 to 50 parts of water. For cleaning plastic upholstery, venetian blinds, porcelain surfaces and glass, use 1 part of concentrate in 20 to 30 parts of water. For washing trucks, buses and dumpsters, dilute 1 part of concentrate in 10 parts of water. For extremely soiled surfaces, apply full strength and agitate. NUTRACLEAN may be sprayed on, mopped on, or splashed on with a sponge.
